

# JAPAN X INDIA

- A special legal entity supervised by the Japanese government.
- 3 fields; Arts&Culture, Japanese Language, Japanese studies & intellectual exchange
- 23 overseas offices around the world  
=> The Japan Foundation, New Delhi

With the objective of cultivating friendship and ties between Japan and the world, through culture, language and dialogue, we create global opportunities to foster friendship, trust and mutual understanding.

## Art Collaboration from Traditional to Contemporary

Deer Dance

Dream; Without public sectors' involvements, international collaborations happening. I would like to keep building the foundation for that as a catalyst.

Theatre

Drum

### Misako Futsuki

Born in Nagasaki, Studied in Hiroshima, Japan

Found just trying to know can be a good start to change our world.

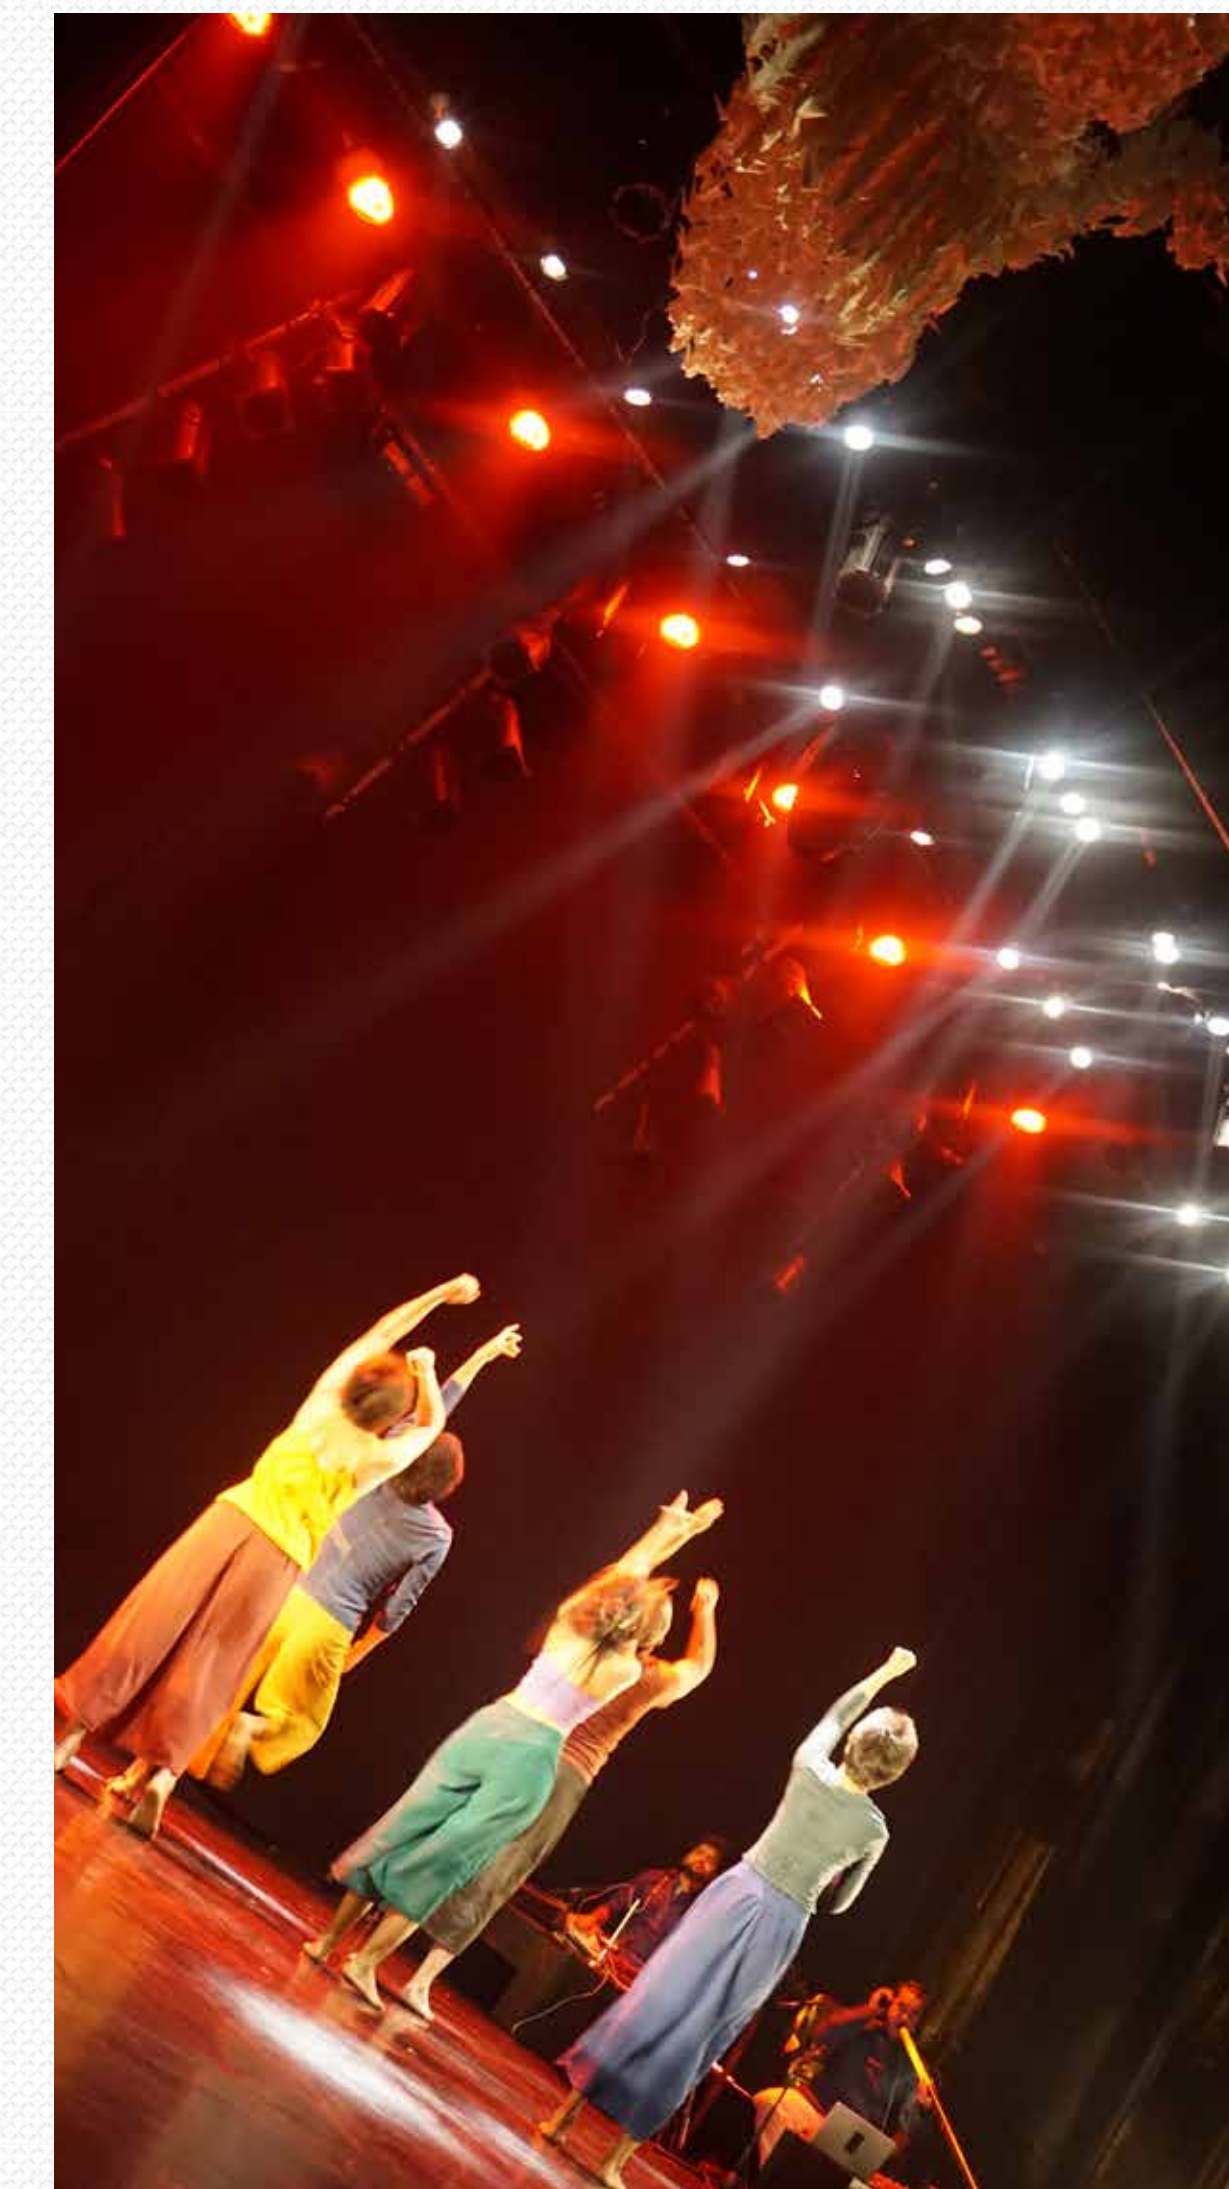

A program officer at the Japan Foundation to producer international exchange since 2009.

Based in Delhi, India as Director of Arts & Cultural Exchange.

At the Japan Foundation, New Delhi Since Dec. 2013

Exhibition

Contemporary Dance

JF has just showcased Japanese arts & culture as our activities in India.

My project; Not only showcasing Japanese culture but also creating platforms for collaborations in mutual ways.

Young generations between countries sharing ideas together.
