

# ABOUT ME

## ABOUT MY (DREAM) PROJECT The Festivals Makers' Academy

### . Festivals are the new « face » of African arts

- Gap between young professionals and the industry
- Lack of investment & public support

The Festivals Makers' Academy aims to build know-how on festival management for a new generation of cultural leaders

The Academy offers a complete curriculum to the selected attendees in a international/african environment

- . 8 months; 20 participants
- . Activities & training : Internships in festivals / Workshops / International conferences / Follow up & Mentorship
- .
