日本語パートナーズ

Sending Japanese Teaching Assistants to Asian Countries

Cultural & Intellectual Exchange

Globally-oriented communication and interaction

[Create] Create a new culture and give back the results, both inside and outside of Asia

[Collaborate] Deepen cooperation in new fields and carry out collaborative efforts

[Connect and Share] Share each other's knowledge and experience and create a forward-looking network

[Communicate] Build ties among people and broaden the base of mutual understanding

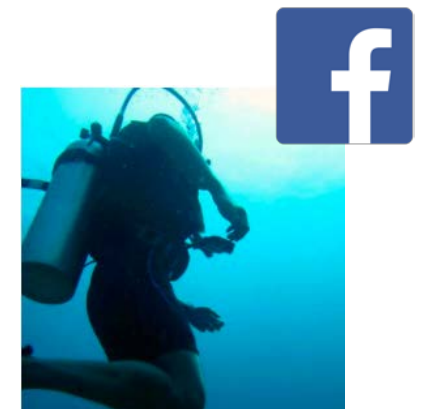

Giving back and spreading the results

Keep in touch!
